WEB PAY ℠

Our most advanced solution to payroll processing and retention.

Web Pay℠ provides the highest level of payroll options available to our customers.

Is WEB PAY ℠ right for you?

Do you...

☑ want web-based payroll processing and record retention?

☑ need a company payroll with more options?

☑ prefer electronic access to your records 24-hours a day?

☑ want payroll direct deposit for your employees at no charge?

PAYROLL PROCESSING:
- Your payroll is processed on line and can be prepared weekly, bi-weekly, semi-monthly or monthly.
- Your payroll is direct deposited into employee bank accounts. If you prefer using printed checks, payroll checks with earnings statements are available for printing via our secure website.
- Your records are easily accessible and retained via our secure website.
- On-site electronic storage houses your payroll indefinitely.

PAYROLL TAX RETURN PREPARATION:
- We prepare and pay monthly, quarterly, semiannual and annual tax returns for federal, state and local entities.
- We prepare, file and pay your Bureau of Workers' Compensation returns.
- We prepare W-3s and W-2s so they are ready for you to mail to your employees and the Social Security Administration.
- We prepare your state and local reconciliations and forward them to the proper tax agencies.

PAYROLL COMPLIANCE:
- You will receive detailed, easy-to-read reports customized for your business needs.
- Your payroll records are retained electronically at our secure off-site location.
- You will receive a personal payroll processor and phone support for employment-related questions.
- Our knowledgeable staff keeps you up-to-date on payroll law, trends and industry developments.
